

# **Sr./Cadet Girl Scouts Horse Sense I Badge Requirements**

The Cadets will complete seven activities, two Skill Builder, one Technology, one Service Projects, and two Career Exploration. With the instructor help the girls will get to choose what activities that would like to do. The girls will be grooming, saddling, leading, and riding for half an hour. They will learn riding skills in a group, such as mounting, walking, stopping, backing, turning, jogging and arena safety.

## **Horse Sense I (Course #EL4401)**

- Students will learn how to groom, lead, tie, saddle and mount a horse.
- Learn the different types of tack, how to care for tack, and how to recognize tack that has become unsafe.
- Girls will take an in-depth look at breeds of horses, general history of the horse, and its use in early times.
