

Sr./Cadet Girl Scouts Horse Sense II Badge Requirements

The Cadets will complete seven activities, two Skill Builder, one Technology, one Service Projects, and two Career Exploration. With the instructor help the girls will get to choose what activities that would like to do. The girls will be grooming, saddling, leading, and riding for half an hour. They will learn riding skills in a group, such as mounting, walking, stopping, backing, turning, jogging and arena safety.

Horse Sense II (Course # EL4402)

- Students will explore the financial aspects of owning a horse and how to select a horse for themselves.
- Girls will also learn about a regular yearly health regimen, and explore careers in the horse industry.
- Pre-requisite is Course #EL4401. Completion of Horse Sense 1, Horse Sense 2 and a service project will fulfill the requirement for the Horse Sense Badge.
